## IMPROVEMENT RATING

BELOW AVERAGE

# **ADEQUATE YEARLY PROGRESS**

NO

This school met 16 out of 21 objectives. The objectives included performance and participation of students in various groups.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for All Students and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency.

## SOUTH CAROLINA PERFORMANCE GOAL

By 2010, South Carolina's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Fort Johnson Middle School is to develop confident, lifelong learners, and we strive to meet that mission every day. Ours is a community school that has seen at least three generations pass through its doors. There have been many successes over the years and we look forward to many more in the future.

FJMS strives to provide a well-rounded atmosphere of learning for its students. This is accomplished by the efforts of everyone including faculty, students, parents, and the School Improvement Council. Our guidance department has initiated a number of programs this year including anger management groups and a peer mediation program. The mentoring program continues to thrive and is one of the most unique in Charleston County. This year, the guidance department along with other community and school members, organized a very successful Teen Summit which brought together students from all over the island to talk about teen issues relevant to the school setting.

The School Improvement Council continued working on implementing the foundation begun last year to help meet the needs of the school in the future. The foundation is now classified as a 501c3 by the IRS and will be fully operational in the 2005-2006 school year. In addition, the council prepared our strategic plan for the school for the next five years. In the plan, we outlined how we will move from an "average" to a "good" absolute rating on our annual school report card and 100% on the Annual Yearly Progress between now and 2010.

Our students are one of our greatest assets and in 2004-2005 they continued to excel academically, athletically, and in the fine arts. A number of students participated and won awards in the Lowcountry Science Fair, the QUEST competition, College of Charleston's History Day, and the Lieutenant Governor's Writing Contest. In addition, 17 eighth graders were named as South Carolina Junior Scholars based upon their performance on the PSAT and SAT. Our intramural and sports programs continued to be a success, with students participating in football, basketball, kickball, cheerleading, and tennis. In addition, a group of students trained twice a week for 6 weeks to run in the Race for the Cure in honor of one of FJMS' teachers. Our fine arts programs continued to produce some very talented students, with strong participation by choir, band, and sports programs in All-County, Region 4 Band, and Solo and Ensemble Festival. The Fort Johnson players put on two amazing shows in 2004-2005, Bye Bye Birdie, and Hello Dolly, and the Gibbes Program allowed art students to have their award winning work displayed.

We encourage all parents to become involved their children's education through participation in the School Improvement Council and the PTA, or through special events and activities. The school will continue to shine when parents, students, and faculty work together for the children's education.
